APPROVAL OF MINUTES

Mayor Ross moved the committee approve the minutes of the February 12, 2024 Alcohol Ordinance Review and Rewrite Committee meeting.

Motion seconded by Jon Hanson and carried the following vote: ayes: Black, Hanson, Pitner, Ross, Tinnes; nays: none.

OLD BUSINESS

1. Definition of Transfer – The committee decided to keep the definition in the working draft. This draft will eventually get finalized and brought to council for two readings. Kevin Black moved the committee approve the definition of transfer with the amendment to change “transfer” to “premise transfer”. Motion seconded by Jon Hanson and carried the following vote: ayes: Black, Hanson, Pitner, Ross, Tinnes; nays: none.
2. Addition of delinquent taxes as a cause for denial in application/renewal process – City staff will prepare a section in the ordinance to include delinquent lodging taxes into the application process and renewal process. The committee discussed the idea of possibly a new application for a license would be subject to possible denial if property taxes or special assessments are delinquent. The thought was this might penalize a business owner/license holder if they rent the space for their business. Currently the City of Minot Code of Ordinances does not have a current process for any delinquent tax.
Kevin Black motioned the committee to direct staff to draft language for the ordinance to include delinquent lodging taxes in any new applications and renewal applications of all alcohol licenses if the business is operating as a hotel/motel. Motion seconded by Jon Hanson and carried the following vote: ayes: Black, Hanson, Pitner, Ross, Tinnes; nays: none.
3. Definition of Licensed Premise – City staff prepared a more detailed definition of licensed premise to resemble the City of Grand Forks definition. This definition includes storage spaces as part of a licensed premise. Brian Billingsley will speak with the Inspections Department about occupancy rules and possible code violations if the premise includes storage spaces that either do not have a Certificate of Occupancy for the correct business type or if the area is not up to code.
4. Preamble – Mayor Ross moved the committee approve adding the preamble into the City of Minot Code of Ordinances with the following friendly amendment from Kevin Black:

The City of Minot finds that the safety and welfare of its citizens and neighborhoods are of highest priority and the judicious dispensing of alcohol is in keeping with this premise. The possession of an alcoholic beverage license in the city is a privilege, ~~not a right; a privilege~~ and responsibility that must not be taken for granted, but rather must be continually conditioned by the license holder's adherence to applicable laws and regulations.

Motion seconded by Kevin Black and carried the following vote: ayes: Black, Hanson, Pitner, Ross, Tinnes; nays: none.

5. Other Licenses – City staff provided a Brewer/Taproom license resembling the City of Grand Forks license type. The committee would like to see city staff provide an off-sale only license with a sampling clause for the next meeting.

DISCUSSION ON THEORETICAL VALUE AND POTENTIAL PROTECTIONS

The committee discussed the average value with Target being \$142,445 but if you exclude Target it would be \$134,000. The committee decided to start with \$125,000 as the theoretical value, but can discuss further. The right of first refusal was discussed as a potential protection. The current grandfathered licenses should have a one-time transferable license clause. Another protection mentioned was a possible grant program with the revenues made by any new licenses sold, but there would have to be discussion on how the money is distributed.

Kevin Black moved the committee direct staff to draft a removal of the capped Retail Liquor, Beer, and Wine license with the following:

- Current grandfathered license holders have the right for a one-time transfer/sale
- Set the initial payment for a new Retail Liquor, Beer, and Wine license at \$125, 000
- Include the first right of refusal protection, with the expectation of if there is more than one interested party in selling their license the City of Minot staff will relay the information of the potential sellers to the new licensee.

Motion seconded by Mayor Ross and carried the following vote: ayes: Black, Hanson, Pitner, Ross, Tinnes; nays: none.

DISCUSSION ON CURRENT LICENSING FEES - TABLED

NEXT SCHEDULED MEETING

The next meeting is scheduled for March 11, 2024 at 1:00 pm in the Council Chambers, City Hall.

Kevin Black mentioned he would like to discuss Section 5-27 Premise Requirements in particular the fencing requirements. Brian Billingsley will work with staff to bring more information to the next meeting on this subject.

Jon Schmidt, owner of the Lamplighter Lounge, spoke to the committee about his concerns with the food sales vs alcohol sales checks the City of Minot does as part of the application process. He also discussed his concern of the theoretical value discussed in the meeting and the first right of refusal process/timeline. Jon would also like to hear more about the possible dividend or grant program structure to improve infrastructure for the grandfathered licenses.

There being no further business, Kevin Black moved the committee meeting be adjourned. Motion seconded by Mayor Ross and carried unanimously. Meeting adjourned at 2:41 pm.

(Ord. No. 5372, § 1)

(2)

The periphery of the outdoors - to the extent not adjoining the indoors - must be enclosed with a wall or fence that is at least thirty-six (36) inches in height and said wall or fence may include a gate that can be used for entering or exiting the outdoors.

- (c) The requirements of subsection (b) shall not apply to licensees holding an outdoor dining license, however, permit holders shall meet all requirements provided under chapter 28, article VII, division 2 of this Code.

(Ord. No. 5372, § 1; Ord. No. 5740, § 2)

Sec. 5-28. - Inspection of licensed premises.

- (a) Prior to acting upon any application received for a liquor or beer license, a transfer of location of any such existing license, or an application for a renewal of any existing liquor or beer license, it shall be the policy of the city council to require a complete inspection of the building or plans, when new construction, where the proposed business is to be conducted, or is being conducted, whichever is applicable.
- (b) As applications for a transfer of location of an existing beer or liquor license, or application for a new liquor or beer license, or application for renewal of existing liquor or beer licenses are received at the office of the city clerk, such application shall be immediately referred to the building official and fire marshall as to the proposed site location and structure thereon, where a structure exists upon the site, who shall then fully and completely examine the proposed structure on the stated location. The building official and fire marshall shall, in their discretion, require such other city inspectors as he deems necessary to join with him in the examination of the structures described in the application, to determine the general condition of the structure upon such site, including the soundness of the building, the availability of light, air, general sanitation facilities and such other items as are normally considered in determining general safety of a structure.
- (c) Upon completion of his report, the building official and fire marshall shall make a written report to the city council, including in such report any reports prepared by other city inspectors at the request of the building inspector, and in such written report he shall state all findings as to the general condition of the structure on the proposed site with regard to light, air, structural soundness, general sanitation and other items as may be required in the opinion of the building official.
- (d) The building official and fire marshall shall attach to the written report his opinion as to the sufficiency of the structure for the purpose sought to be carried on therein, and his recommendation as to whether or not in his opinion the structure is suitable for the carrying on of a business involving a dispensing of alcoholic beverages.
- (e)

Upon the receipt by the city council of those reports which by way of ordinance or resolution are required to be submitted to it as part of the application process for a retail alcoholic beverage license the city council shall determine whether the license shall issue or not. In so doing it shall consider the reports and it may consider (i) statements made before it at the council meeting wherein the matter is taken up, (ii) any other information publicly presented to it at the meeting by the city staff, or by aldermen, or by any other person, and (iii) such other matters of which a court could take judicial notice. The applicant shall have the right to make an argument or plea to the council, or both, and he shall have the additional right to comment upon the matters presented to the council and those matters which the council indicates it will take notice of. In reaching its decision as to whether the license should issue the council reserves the right to consider whether the design, physical condition, and location of the proposed premises, and the proposed method of operation by the licensee, are consistent with the health, safety, general welfare, morals, comfort, good order, and peace and quiet of the general public or of those persons who work, live, transact business or participate in recreation in the vicinity of the premises sought to be licensed.

- (f) No license shall be issued or transferred by the city council, including any renewal licenses, for any establishment utilized for the sale of alcoholic beverages unless the building in which the business is carried on has been inspected in accordance with the terms of this section.
- (g) The licensed premises and the records of the licensee shall be available to the police department for immediate inspection whenever the licensed premises are open for public patronage and the licensed premises shall be available to the police department for immediate inspection at any other time when there are persons on the licensed premises.

(Ord. No. 5372, § 1)

Sec. 5-29. - Issuance when approved.

If the application for a license by this article is approved by the city council, the city clerk shall issue to the applicant a receipt showing the date and amount paid and by whom and for what location, and what class of license has been granted him, which shall constitute the license.

(Ord. No. 5372, § 1)

Sec. 5-30. - Identification number.

Each license issued pursuant to this article must be given an identification number and a permanent record thereof must be kept by the city clerk, showing the name and address of the licensee and the legal description of the place licensed.

(Ord. No. 5372, § 1)

Sec. 5-31. - License to constitute a defeasible property right, transfer or other change in status, operation, or form of license, fee for approval of same.

- (a) A licensee under this chapter shall enjoy a defeasible property right in the license. It is defeasible in the sense that it may be revoked by the city "for cause" without compensation to the licensee as provided in section 5-32 of this Code. Subject to that reservation of rights in the city, the licensee may sell, pledge, grant or retain a security interest in, give away in a will, or otherwise deal with the license.
- (b) No transaction affecting a license, including a transfer (whether full or partial), lease, grant or retention of a security interest, or other change in its status, operation, or form (hereafter a "license amendment"), is binding on the city until application for the license amendment has been filed by the licensee or other interested person with the city clerk and approved by the city council. However, as provided hereafter, the chief of police has the power to approve a license amendment for a temporary period of time, and if the chief does so it has the same force and effect as an approval by the city council during such temporary period of time.
- (c) The license amendment application shall include the information required in section 5-18 and a detailed description of any consideration received in exchange for the license transfer.
- (d) Before being submitted to the city council for its decision thereon, a license amendment application shall be forwarded to the chief of police for such investigation and such recommendation to the council concerning its merits as the chief believes is warranted or advisable under the circumstances. Moreover, if the license amendment application relates to the physical characteristics of the licensed premises it shall likewise be forwarded to the building official for the same purpose.
- (e) The chief of police shall have the authority to approve a license amendment application for a period of time not to exceed forty (40) consecutive days upon a showing satisfactory to the chief of pressing circumstances requiring action before the city council can take under consideration and act upon a license amendment application in the ordinary course of its business, as when, for example, a licensee dies or a secured party or lien holder forecloses on its security interest in a license. However, the chief or the council itself may revoke or suspend provisional approval given under this subsection, provided that reasonable notice of such contemplated action is first provided to the affected party or parties.
- (f) In the absence of provisional or final approval of a transfer as provided for in subsections (b) and (e), no person other than the named licensee may rely on the grant of the license as a defense to prosecution or a civil action brought under this chapter or otherwise provided in law for an offense or cause of action involving the sale of alcoholic beverages without a license.
- (g) No license amendment application may be acted upon until the applicant has paid a non-refundable application-review fee of two hundred fifty dollars (\$250.00).

Sec. 5-32. - Suspension or revocation of a license.

- (a) The city council shall have the power to suspend or revoke any license issued under the authority of this chapter for any of the following reasons:
 - (1) The licensee violates the laws of this state or of any of the provisions of this chapter.
 - (2) The licensee willfully makes a false statement or a misrepresentation as to a material fact in the application for the issuance or transfer of the license.
 - (3) The licensee knowingly permits the occurrence of a pattern or practice of disorderly or immoral acts upon the licensed premises.
 - (4) The licensee does not conduct the activity for which the license was issued at the licensed premises for a period of twelve (12) consecutive months.
 - (5) The licensee or its manager or both no longer meet the requirements of section 5-18 for the issuance of the license.
 - (6) The licensee does not hold a necessary permit or license issued by another governmental entity, which license or permit is required by that governmental entity as a precondition to the carrying on by the license of the activity authorized by the City of Minot license.
- (b) No license shall be suspended or revoked without providing the licensee with notice and an opportunity for hearing before the city council with regard to the suspension or revocation of the license. The city clerk shall provide the licensee with written notice of the date, time, and place of the hearing. The notice shall inform the licensee that its license may be suspended or revoked and it shall set forth the factual allegations which form the basis for doing so under this section. The city clerk may provide notice by mailing a copy thereof to the licensee's last known address as indicated in the licensee's most recent application filed with the clerk under this chapter. The notice must be mailed at least five (5) days prior to the hearing, exclusive of the date of mailing and date of the hearing.
- (c) If the licensee does not appear at the hearing provided for in subsection (b), or if he does not dispute them, the factual allegations in the complaint shall be deemed to be admitted. Otherwise the city shall have the burden of going forward with the evidence and the burden of persuasion as to any disputed issues of fact.
- (d) If the licensee requests that the originally scheduled hearing date be continued the city council shall grant a continuance to a time mutually convenient to the licensee and the city council, but the city council shall have the discretion to suspend the license from the date for which the hearing was originally scheduled to the date of the continued hearing.
- (e) The decision of the city council shall be final for purposes of the legal doctrine which requires the exhaustion of administrative remedies as a prerequisite for judicial review.
- (f)

The Minot Police Department will be responsible for conducting compliance checks to determine whether the licensees are in compliance with the provisions of subsection (a)(1). If (1) the licensee admits a violation occurred, (2) fails to appear at the scheduled hearing relating to the alleged violation, or (3) the city council determines a violation under subsection (a)(1) occurred after a hearing, the licensee is subject to the following penalties, in addition to any other civil or criminal penalties a licensee may be subject to for violation of any provision of state or local law:

First violation: Letter of warning

Second violation: Business closed for three (3) consecutive days

Third violation: Business closed for seven (7) consecutive days

Fourth violation: Business closed for thirty (30) consecutive days

Fifth violation: Business liquor license recommended to be revoked

The penalties described above shall be for violations that occur within a period of twenty-four (24) months. The twenty-four-month time period commences to run and is calculated from the first offense by the licensee.

(g) The Minot Police Department will be responsible for monitoring compliance with the provisions of subsections (a)(2)—(6). If (1) the licensee admits a violation occurred, (2) fails to appear at the scheduled hearing relating to the alleged violation, or (3) the city council determines a violation under subsections (a)(2)—(6) occurred after a hearing, the licensee is subject to suspension or revocation, as determined by the city council, in addition to any other civil or criminal penalties a licensee may be subject to for a violation of subsections (a)(2)—(6).

(Ord. No. 5372, § 1)

Sec. 5-33. - No refund of fee when license is revoked.

When a license issued pursuant to this article is terminated or revoked for cause, the licensee or those claiming under him, shall not be entitled to any return of any portion of the license fee previously paid to the city.

(Ord. No. 5372, § 1)

Sec. 5-34. - No license to be issued until five years after revocation.

Where a license for any premises licensed pursuant to this article has been revoked, no license shall thereafter be issued to the licensee for a period of five (5) years after revocation.

(Ord. No. 5372, § 1)

Sec. 5-35. - Exceptions to the limitations as to the number of licenses.

- (a) If because of a growth in the population of the city or because of the revocation or voluntary surrender of a license, or because any of the numerical limitation formulas under section 5-16 are amended, there becomes available for issuance a license under the authority of this chapter, and if it appears to the city council that it is reasonably likely that more than one (1) person might be interested in obtaining the license, given the then current market demand in the city for licenses of that type, the city shall advertise the availability of the license for a reasonable period of time and shall auction the license off openly or through sealed written bids to the highest bidder. The successful bidder must qualify under section 5-18 in order to obtain a license. The city may set a minimum auction or bid price and/or other conditions of the auction or bid which shall be stated in the advertisement. If more than one (1) license of a particular class has been available for issuance consistent with the numerical limitations under section 5-16 for a period of three (3) months without an application having been made for a license of that class, there shall arise a rebuttable presumption that the market demand for licenses of that class does not exceed the number of licenses of that class available for issuance.
- (b) A license shall authorize the carrying on of activity pursuant to its authority only with regard to licensed premises at one (1) particular location except to the extent allowed under section 5-18. However, this subsection shall not be construed as prohibiting the periodic expansion and contraction of licensed premises at a particular location as the occasion demands, such as when, for example, a motel licensee dispenses alcoholic beverages at a public assembly room within the motel during a convention or other special activity, when otherwise such room is not ordinarily used for the service or consumption of alcoholic beverages.
- (c) When the city annexes territory which contains an establishment which was licensed by the county to sell alcoholic beverages at retail immediately prior to the annexation, the city will issue to its owner a city license to sell alcoholic beverages, without regard to subsection (a) and even though one (1) of the numerical limitations on licensed imposed by section 5-16 is exceeded, or a prior condition or excess licenses under that section is aggravated as a result of the issuance of the license under this section. Unless the city council lays down a special rule at the time of annexation whereby the new city license shall carry the same restrictions and terms as the old county license, the new city license issued under this subsection shall be as similar to the prior county license as may be obtained under the then existing categories of city licenses. A license issued under this subsection shall thereafter be counted as one (1) of the licenses subject to the numerical limitation imposed by section 5-16, so that, for example, if the issuance of a license under this subsection causes one (1) of the numerical limitations imposed by section 5-16 to be exceeded, the license issued under this subsection will be counted against future population growth in determining when an additional license is available for issuance under the formula set forth in section 5-16. It is the intent to this subsection that no county licensee shall lose a license

to sell alcoholic beverages simply because the licensee is annexed to the city, but that city licenses which have county license ancestors over a period of time shall be treated the same as all other licenses for purposes of section 5-16 numerical limitations. This subsection shall apply retroactively as well as prospectively, except that as a one-time exception it shall not be construed to bar the issuance of any additional licenses which became available under section 5-16 after January 1, 1990, and before January 1, 1992, under the ordinance then in effect.

(Ord. No. 5653, § 1)

Sec. 5-36. - Reserved.

Sec. 5-37. - Adequate parking.

At the time of erection, conversion or expansion of a structure to be used for a retail liquor or beer business, there shall be provided and thereafter maintained off-street parking facilities to accommodate the motor vehicles used by the occupants, customers, clientele and employees of said retail business. Such off-street parking spaces shall be used exclusively for off-street parking purposes. Off-street parking and loading spaces shall be provided in accordance with the requirements for specific uses set forth in chapter 23 of the City of Minot Zoning Ordinance, Ordinance No. 1149, as amended.

(Ord. No. 5372, § 1)

Sec. 5-38. - Sale of alcoholic beverages at municipal auditorium and armory complex by licensed liquor dealers.

The holder of a current liquor or beer license of the city may sell and dispense alcoholic beverages at the municipal auditorium and armory complex of the city provided that:

- (1) Permission is granted in the same manner as provided in section 5-40(b).
- (2) The licensee accepts all responsibilities and liabilities for enforcement of City of Minot and North Dakota State Liquor laws regarding the dispensing of alcoholic beverages during the times of the special permission.
- (3) Twenty (20) per cent of the gross sales of alcoholic beverages at the auditorium/armory are paid to the city immediately upon expiration of the permit.

(Ord. No. 5372, § 1)

Sec. 5-39. - Dispensing of alcoholic beverages at private party held at municipal auditorium or armory.

Any lessee of the municipal auditorium or armory may dispense alcoholic beverages, at a private party or gathering, provided that there is no charge for the alcoholic beverages, provided that all of the laws of the City of Minot and State of North Dakota regarding dispensation of alcoholic beverages are fully complied

with and provided that responsibility and liability for compliance with these laws are fully assumed by the lessee.

(Ord. No. 5372, § 1)

Sec. 5-40. - Special permits; fees.

- (a) A permit issued pursuant to Section 5-02-01.1, N.D.C.C. to allow a licensee to operate at premises other than the licensed premises to which the license relates, shall be issued administratively by the city clerk upon the following terms and conditions:
 - (1) The payment by the applicant of a nonrefundable fee of twenty-five dollars (\$25.00).
 - (2) The submission of an application to the city clerk, at least seven (7) days prior to the event (not including the day of the event), by the applicant, with any information required by the city clerk and a brief narrative explaining:
 - a. The nature of the occasion for the permit (e.g., wedding dance, trade show or promotion, etc.); and
 - b. The steps which will be undertaken by the permittee to restrict the sale to, and consumption of, alcoholic beverages by person under twenty-one (21) years of age at such occasion.
 - (3) The written approval by the chief of police of the issuance of the permit. The chief of police may police the event(s) covered by the special permit. The chief of police may determine the number, if any, of police officers or licensed private security officers needed to police the event(s). If the chief of police determines police officer or licensed private security officers are needed to police the event(s), the licensee shall hire the required number of off-duty police officers or licensed private security officers to police the event(s). If the licensee retains off-duty police officers to police the event(s), the written approval for the special permit shall be contingent on the licensee paying the Minot Police Department the expense of any off-duty police officer required for the proper policing of the event(s) prior to the event(s) occurrence. No special event(s) shall be permitted to proceed unless the required number of police officers or licensed private security officers are present.
 - (4) A permit issued pursuant to this subsection may not be used for the off-sale of alcoholic beverages.
 - (5) The city council may authorize an individual under twenty-one (21) years of age to attend the special event, but may not authorize the consumption or possession of an alcoholic beverage by an individual under twenty-one (21) years of age.

Each month the chief of police shall submit a report to the city council concerning the permits allowed and the permits denied under this subsection subsequent to the last prior such report. Applications, whether granted or not, shall be retained by the city clerk for no less than three (3) years.

- (b) Each retail licensee shall register his unique identification symbol, notation or mark with the chief of police and shall provide the chief of police with such information gathered pursuant to subsection (a) as the chief from time to time may require.
- (c) This section shall not apply to the sale of containers by a retail licensee if he intends and requires that the contents of the container will be consumed on the licensed premises where the sale occurs.
