SUBJECT: SCHEELS DONATION

I. RECOMMENDED ACTION

Amend 2022 annual budget to increase fire control - operational supplies for physical fitness equipment to be used by the firefighters with a donation from Scheels.

II. DEPARTMENT CONTACT PERSONS

Kelli Kronschnabel, Fire Chief 857-4740

III. DESCRIPTION

A. Background

Fire Department received a donation from Scheels. This funding to be used toward equipment and we want to use it in a meaningful way to benefit our firefighters directly. Using this funding for exercise equipment for the new station 5.

IV. IMPACT:

A. Strategic Impact:

Our firefighters are required to work out while on duty. Having a fit and healthy firefighter is necessary to fulfill the requirement of their duties as an industrial athlete.

B. Service/Delivery Impact:

In order to meet our mission of “Trained, Maintained and Ready” will require our firefighters to be in top physical condition. The physical fitness of a firefighter aids in the ability to manage the air within their SCBA, have enough energy to continue working after climbing 5 flights of stairs, lift heavy objects or persons when needed and even their ability to heal if injured. Every year, each firefighter is required to complete a medical physical, fitness evaluation and incumbent physical agility test. Each of these requirements will assess the firefighter to ensure their health and fitness to perform their duties.

C. Fiscal Impact:

Amend the 2022 annual budget to increase the Fire Control – Operational Supplies from the donations.
