1. Recommend council approve City of Minot equipment rental rates for 2024-2025.

II. DEPARTMENT CONTACT PERSONS

III. DESCRIPTION

A. Background

Each year Public Works updates rental rates for equipment in the different departments. These rates are approved annually so an official rate structure is on file. These rates are used when work needs to be done for situations not created by the City, such as a private entity spilling oil or when another community needs assistance from specialized equipment owned by the City. These rates are also used for reimbursement for insurance claims or disaster assistance.
