#### III. DESCRIPTION

##### Background

Site approval by the City Council is required as a precondition to obtain a state games of chance license. Each organization submits documentation annually in order to conduct

games of chance at locations throughout the city of Minot. These locations have submitted documentation and received approval from the Police Chief.

**IV. IMPACT:**

Fiscal Impact:

The City of Minot receives \$100 per site authorization, which is deposited into the appropriate general fund revenue account.

**V. ALTERNATIVES**

The City Council could deny an application if there is reasonable cause to do so and the establishment would not be permitted to conduct games of chance.

**VI. TIME CONSTRAINTS**

Site authorizations must be approved in a timely manner in order for organizations to submit their approved gaming form to the Attorney General's Office by the expiration deadline.
