Change Order No. 1

Dear Mr. Owen:

Attached please find Change Order No. 1 for a contract extension for the above-mentioned project.

During the demolition of this project, Dig It Up Backhoe Service, Inc. was requested to accelerate another City of Minot demolition project. This required Dig It Up Backhoe Service, Inc. to stop work at 205 & 215 Maple St in order to complete the other project by the new deadline. Due to the delay on this project, an additional 14 days should be added to the contract time. With this change order the new contract end date for Dig It Up Backhoe Service should be July 26, 2019. All other terms and conditions of the original contract are to remain valid and enforceable.

I have reviewed the change order and recommend approval by the City. Should you have any questions or need further assistance regarding this matter, please contact me at 701-837-5813.

Sincerely,

Justin Redding  
CDM Smith Inc.
