# City of Minot CDBG Disaster Recovery Substantial Action Plan Amendment

Hon. Thomas Ross, Mayor

## THE CITY OF MINOT ACTION PLAN SUBSTANTIAL AMENDMENT #10

The City is making adjustments to the activity budgets in the Action Plan as we work towards the closeout of grant B-13-MS-38-0001. These reallocations include adjustments to activity budgets where there are fund balances for closed and completed projects/activities, and reallocating money to project lines for which additional funds are needed to carry out adjusted activities.

This amendment is reallocating funds from the Anne Street Bridge Planning Study activity in the amount of \$11,558.72 into the Round 4 Administration and Round 4 Demolition Urgent Need activities.
